COMMUNITY GRANT PROPOSAL

History and Background

Briefly tell us about your non-profit organization, including current programs and activities and past Community Grants you've received. There is a 1500 character limit
(Next comes additional questions to answer after the background question)

What does your project aim to achieve?

What problems or needs does your project address?

Are there any collaborative partners for this project?

How does your project relate to other similar efforts by other organizations, if any?

What is your project strategy and timeline?

What is the environmental sustainability component of your project?

GENERAL FINANCIAL INFORMATION

What is your fiscal year?

What is your total organizational budget?

Project Budget (Here you will have room to briefly itemize your income and expenses specific to your project.)

What is your total project budget?

List your project expenses ()specific expense follow by amount)

Please list what expenses the Community Grant would cover.

THANK YOU!

Our Grant Committee will review all of the applications and contact you in May 2018.
